Dr. C. S. Steele returned to his home in Barre Sunday morning, after passing several weeks in Battle Creek, Mich., for the benefit of his health, having been troubled with neuritis. He is feeling much improved. He reports that Dr. W. D. Reid of this city, who is also at Battle Creek, is gaining slowly.

Dr. B. H. Stone of Burlington, state pathologist and his assistant in the state laboratory of hygiene, Dr. C. F. Whitney, arrived in the city this morning, having been summoned to Waits River by State's Attorney Frank S. Williams of Bradford to perform an autopsy over the remains of Joseph L. Felch, a farmer, who was found dead in his sugar house early Sunday morning with a bullet wound through the temple. Drs. Stone and Whitney were accompanied from Barre by Undertaker G. E. Perry, who was asked to assist in the post-mortem examination before preparing the remains for burial.

Assessors say that it is yet too early to figure exactly how much the city's valuation list is to suffer by the amendment to the tax law exempting book accounts, although it is estimated that a decrease of more than \$300,000 will be noted when the returns are completed. For the reason that a large number of property owners have been unusually lax in the matter of filing their inventories, it is impossible at this time to make an estimate that could be described as approachable accuracy. Professional book accounts are eligible for taxation, but the law makes an exception of other accounts. It is thought that the change in the law will have a tendency to decrease materially the grand list.

STRICKEN WHILE DRIVING.

Chester Kezer of Corinth Had Shock on the Road.

Waits River, April 24.—The hand of death fell upon Chester Kezer of Corinth while he was traveling from Corinth to Waits River Saturday afternoon. He left the former place at 2 o'clock in the afternoon and was stricken with a shock, the reins falling from his hands and the horse going along, unguided, till it reached the place of William Richardson, where it was found at 9 o'clock that night. Mr. Kezer was still alive but unconscious, death ensuing in a short time.
Mr. Kezer was born in Fairfax May 4, 1854, and he lived in that town for 41 years. Since that time he had lived in Corinth. His wife died a year ago, and there are seven children surviving. The funeral was held at West Corinth this afternoon, Rev. Mr. Willey being the officiating clergyman.

New fancy silk hosiery at Fitts'.
Full line of children's hats at Abbott's.
While visiting traps which he had set in the hope that adventurous muskrats might be lured therein, C. G. French, a South Barre man, lost his footing on the banks of Stevens branch Sunday afternoon and fell into the water. There is a drop of nearly eight feet where the man slipped from the bank and at that point the water is considerably more than 12 feet deep. Mr. French is a strong swimmer, however, and people who witnessed the mishap from the highway and ran to his assistance, found him emerging from the water as they neared the bank. Barring a severe cold which followed in consequence of the ducking, Mr. French did not suffer any ill effects.

Changes to the interior of the store in the Morse block recently vacated by C. B. Croft, the jeweler, are under way, although a few weeks may elapse before the office of the Western Union Telegraph company is transferred from the Worthen building. The telegraph company's lease on the office suite in the Worthen building does not expire until July 1 and it is understood that the district manager is no hurry to vacate the present quarters. At the present time two operators are assigned to duty in the Barre office and the hours when the office is open to the public have been extended to 9 o'clock in the evening.

C. W. AVERILL & COMPANY CORDIALLY INVITE YOU

The Need of the Day

Preparations have been made to demonstrate the new perfected and most distinctively successful Round Oak 3-Fuel Combination Range at our store for one week beginning May 1st, and continuing till May 6.

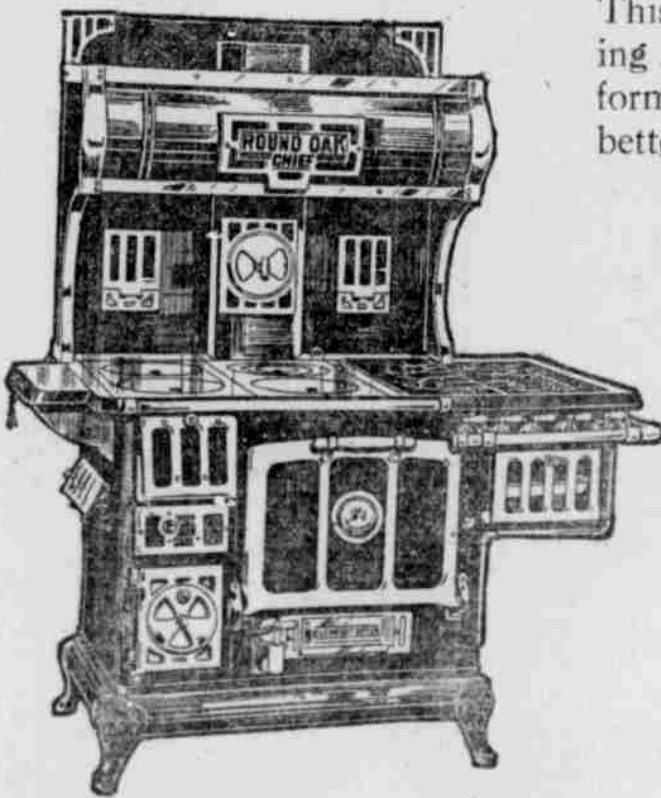

MAY WE URGE YOU TO SEE IT?

This is the range that uses gas, coal, and wood as fuel, producing marvelous results. It has a broiler which, when reversed, forms a giant burner. It has—well, we can show you much better than we can explain in print

THE LADY DEMONSTRATOR

invites the opportunity of showing

1. Why this range warms the kitchen in winter.
2. Why the kitchen is cool and cheery in summer.
3. Why it burns all fuels successfully.
4. Why, we believe, you should have one now, this spring.

SURELY you will come and see this masterpiece in actual operation in our store. Demonstration continues all the week.

Souvenirs, of course!
